CEO MESSAGE

We believe that real success is keeping all clients satisfied all the time and every time to meet the challenge. We are always working to develop our services adopting and implementing the international standard of managements system.

GOMS's strengths lie in our genuine partnerships based on trust and professionalism. I would like to thank you all - our principals, customers and our staff - for the continued support and understanding.

To conclude, I would like to emphasize at our concern for customer satisfaction, quality of service, high standards for health and safety and preserving our environment remains our key focus; and achieving our goals is our passion.

CEO

Seahorse navigation was established in the begging of the second millennium as ship supplier & Suez Canal transit agent serving vessels calling Suez port or transiting the canal.

Our aim is to be a supply solutions partner for ship owners & ship management companies and make sure that they enjoy all the advantages. We have to offer with Quality, Reliability and Variety service.

Seahorse navigation believe that real success is keeping all clients satisfied all the time and every time to meet the challenges.

We are always working to develop our services adopting and implementing the international standard of management system.

GENERAL SUPPLY

Due to our history in the maritime supply industry, we can provide all kinds of general supply services in Egyptian ports such as technical stores, provisions & Bond Stores, Safety & Rescue Equipment, Repair Works, Environmental Solutions, Logistic Services, and Shipping Agency.

Our customers have the convenience of one single contact point dealing with all their requests. We deal with all the aspects related to the supply, from time difference to price negotiations, and make sure that they receive all the services on time.

TECHNICAL STORES
